

Women of Warrington's Inaugural "Woman of the Year" Award

Women of Warrington was founded in 2020 by a group of seniors at the University of Florida's Warrington College of Business. Our mission is to support the undergraduate, graduate, and accounting women in Warrington with a network of successful alumni. We are the first organization in the Business College whose mission is entirely dedicated to fostering a strong relationship between current business students and Warrington's alumni. This year we were honored to be established as a Presidential Committee under the leadership of the Business College Council.

Our organization was founded on the belief that the female student leaders we see across Warrington today have become the CEOs of tomorrow across the state of Florida and beyond. Today, 72% of Heavener Hall of Fame inductees are women; and their success does not stop there. With alumna at Fortune 500 companies like Amazon and Proctor & Gamble, to Big 4 firms Deloitte and PwC, and even in political office like State Attorney General Ashley Moody—Warrington has a recipe when it comes to setting women up for success beyond their time Gainesville. It is our goal to encourage these women who graduate to come back and share their tremendous experiences with our colleges current students to inspire the next generation of leading women.

The award is meant to recognize a graduating woman in the Warrington College of Business who has demonstrated significant leadership and service to the Warrington community. **The application is due 3/30/2021 by 5PM to womenofwarringtonuf@gmail.com.**

Below you will find the application and the eligibility requirements:

- Must have above 3.25 Cumulative UF GPA
- Must have been enrolled in at least 80 credits at UF
- Be a female student in the Warrington College of Business
- Graduating in the Fall 2020, Spring & Summer 2021 semesters

The Warrington Woman of the Year is a one-time award of \$1,000.

Please send your resume and application to womenofwarringtonuf@gmail.com in PDF format 3/30/2021 by 5PM. The award winner will be recommended for the award by a Selection Committee appointed by the Chairwoman of WoW. The decision of the Selection Committee is final.

ADDITIONAL QUESTIONS

1. Involvement – Please list out each organization you are a member of and any/all positions you held within.

Example: Warrington Welcome Peer Leaders – Executive Director, Director of Recruitment, Peer Leader

2. In 250 words or less & out of the positions listed above, which has been most impactful to you and why?
3. In September 2020, McKinsey published an article stating that because of the COVID-19 pandemic one in four women have considered stepping down from their role or leaving work completely. In 300 words or less, how do you think our college can continue to challenge itself and meet the needs of the modern woman entering the workforce?
